**1. PUBLIC PARTICIPATION**

*Members of the public may address the Board of Directors on any item that is within the jurisdiction of the Board; however, no action may be taken on any item not appearing on the agenda unless the action is otherwise authorized by Subdivision (b) Section 54954.2 of the Government Code.*

**2. PUBLIC HEARING RELATED TO ADOPTION OF GROUNDWATER CHARGE**

Article 1, Section 75560 of the California Water Code requires that a Water Conservation District that proposes to levy a groundwater charge "...shall annually cause to be made an engineering investigation and report upon groundwater conditions of the District." District staff will present the annual Bunker Hill Engineering Investigation Report and review the Groundwater Replenishment Program annual budget. District staff is recommending to the District's Board of Directors to retain the current amount of the groundwater charge of \$1.85 per acre-foot for groundwater production for agricultural purposes, and \$6.65 per acre-foot for groundwater production for non-agricultural purposes, for the ensuing year (July 1, 2008 to June 30, 2009). The purpose of the groundwater charge is to fund the District's continuing groundwater replenishment efforts. District staff will present any written comments received and hear oral comments.

---

It is the intention of the San Bernardino Valley Water Conservation District to comply with the Americans with Disabilities Act (ADA) in all respects. If you need special assistance with respect to the agenda or other written materials forwarded to the members of the Board for consideration at the public meeting, or if as an attendee or a participant at this meeting you will need special assistance, the District will attempt to accommodate you in every reasonable manner.
