Section 1. GENERAL PROVISIONS

All employees are employed at the will of the appointing authority and may be terminated at any time with or without cause or right of appeal. The at-will relationship permits the San Bernardino Valley Water Conservation District (“District”) to change the terms and conditions of employment with or without notice, with or without cause, including, but not limited to termination, demotion, promotion, transfer, compensation, benefits, duties and location of work. The provisions of this Employee Handbook do not constitute a contract of employment, express or implied, or any rights in the nature of a contract. Accordingly, there is no agreement, express or implied, that employment will continue for a set period of time, or that any person’s employment will be terminated only under particular circumstances. While supervisors have certain hiring authority, no supervisor has any authority to alter the at-will status relationship. Only the General Manager, with the permission of the Board of Directors, may amend the policy in a written statement.

I. ADOPTION

In order to provide and maintain a system of official rules concerning pay and personnel administration for its employees, the Board of Directors of the District has adopted the following rules. Procedures for Board of Directors are detailed in the Board Policy Manual.

II. AMENDMENT

The Board of Directors reserves the right to change or modify the terms and conditions herein at its discretion and without prior notice. However, all employees shall be provided with written notice of any change to the Employee Handbook prior to the effective date of the change.

III. STATUTORY PROVISIONS

The Board of Directors is the governing body of the District and shall exercise all of its powers as provided for in Section 74000 et seq. of the California Water Code.

IV. EQUAL EMPLOYMENT OPPORTUNITY

Non-Discrimination – The District maintains a policy of non-discrimination with respect to all employees and applicants for employment. All aspects of employment will be governed on the basis of merit, competence, and qualifications and will not be influenced in any manner by ancestry, race, color, religion, sex, age, national origin, physical or mental disability, veteran status, marital status, sexual orientation, political opinion, or political affiliation. The District will provide reasonable accommodations to all employees to ensure a safe and adequate work environment.

V. SELECTION OF EMPLOYEES

All persons employed by the District shall be qualified to perform the duties of the position for which they are employed. All employees will be required to perform all the essential functions of the position for which they are hired, without accommodation or with reasonable accommodation, and without posing a direct threat to the health or safety of the employee or others. Evidence of use of marijuana, narcotic drugs, or controlled substances, or untreated alcohol addiction shall be

grounds for denial of employment. To the extent the employee's job duties include operation of a motor vehicle, prior to employment, the employee shall provide evidence of a valid California driver's license, and provide such information regarding his or her driving record as may be required to maintain the District's insurability with its applicable insurance carriers.

VI. HARASSMENT

A. It is the policy of the District to provide a neutral work environment free from harassment. Therefore, the District will not tolerate any verbal or physical conduct by any employee who harasses, disrupts, or interferes with another's work performance or who creates an intimidating, offensive, or hostile environment. All employees are to be treated with respect, courtesy and tact. Abusing the dignity of anyone due to their ancestry, race, color, age, national origin, sex, religion, marital status, sexual orientation, veteran status, physical or mental disability, political opinion, or political affiliation is prohibited and may be cause for disciplinary action.

1. Inappropriate behavior includes, but is not limited to, the following:
 - a. Unsolicited and unwelcome flirtations, advances or propositions;
 - b. Unnecessary, unwanted physical contact such as touching, hugging, patting, pinching, or kissing;
 - c. Graphic or degrading comments about an employee's appearance, dress, or anatomy;
 - d. Ill-received jokes and offensive gestures;
 - e. Sexual or intrusive questions about an employee's personal life;
 - f. The display of sexually suggestive objects, pictures, or magazines;
 - g. Explicit descriptions of the harasser's own sexual experiences;
 - h. Abuses of familiarities or diminutive;
 - i. Verbal abuse with sexual connotations such as whistling or catcalls;
 - j. Physical and verbal abuse of any kind.
2. Any employee who perceives comments, gestures, or actions of another person to be sexually or otherwise harassing should communicate to that person that such behavior is unwelcome. However, failure to express unwelcomeness does not prevent the employee from filing a complaint, nor does it in any way exonerate the alleged harasser.
3. Any person who is found to condone, participate, or initiate such harassment will be disciplined, in the form of a warning (verbal and/or written), demotion, suspension or

termination.

4. No employee will be disciplined or otherwise retaliated against for reporting harassment or initiating a harassment complaint.
5. If the inappropriate behavior is by a non-employee, the employee should contact the General Manager immediately, who will take action to remedy the situation.

B. Complaint Procedure

1. If a harassment complaint occurs, it shall be reported in writing to the General Manager, or the Board of Directors if the complaint is against the General Manager. However, if the complaint is oral or the charge is witnessed, an investigation must take place upon receipt of the complaint. The General Manager or President of the Board of Directors, as appropriate, shall take prompt action to conduct a confidential investigation to determine whether harassment has taken place and/or is presently taking place.
2. A written record of the steps taken by the General Manager or President of the Board of Directors will be kept on file for review by labor counsel or outside investigator, as appropriate. The General Manager or President of the Board will consult District Counsel on steps for investigation.
3. A labor counsel or outside investigator, as appropriate, shall, within a reasonable amount of time, determine whether the conduct of the person against whom a complaint has been made constitutes harassment. The determination will be made by looking at the record as a whole and at the totality of the circumstances, including the nature of the conduct in question, the context in which the conduct, if any, occurred, and the conduct of the person complaining of harassment. The determination of whether harassment occurred will be made on a case-by-case basis.
4. If it is determined that the complaint is founded, immediate and appropriate disciplinary action will be taken against the employee guilty of harassment to effectively stop such behavior where it exists. The disciplinary action, up to and including termination, will be consistent with the nature and severity of the offense and in consultation with District Counsel.

VII. OUTSIDE EMPLOYMENT

- A. Employees may be allowed to work in off-duty jobs if such secondary employment meets the following requirements:
 1. Such outside employment does not conflict with the interests of the District, nor carry over into the employee's regular duties.
 2. Such outside employment does not adversely affect the employee's ability to perform their District duties.

3. Should an employee violate any of these requirements, said violation may be cause for disciplinary actions up to and including termination.

VIII. EDUCATIONAL ASSISTANCE

The District encourages employees to continue their education, as related to their employment. In order to do so, the following procedure will be observed:

1. Prior to enrollment, a memo requesting reimbursement upon satisfactory completion of the course shall be sent to the General Manager for approval.
2. Upon successful completion of the course(s) with a minimum final grade of “C” or equivalent, the employee shall submit a memo requesting reimbursement by attaching proof of the successful completion of the course and all receipts. The District shall then reimburse the employee for tuition, registration, parking fees and textbooks.
3. Reimbursement of educational expenses is limited to \$2,500 per calendar year for full-time employees. Temporary and part-time employees are not eligible for educational assistance.
4. The employee should consult with a tax advisor to determine if tuition reimbursement qualifies as taxable income.

IX. EMPLOYEE SAFETY

Performing your job in the safest manner possible is a condition of employment at the District. Your Supervisor will instruct you in safety procedures and will evaluate your safety performance. Each employee shall comply with all applicable safety laws, policies and regulations. All employees shall follow safety practices, use personal protective equipment as required, render every possible aid to safe operations, and report to the proper authority all unsafe conditions or practices.

If you have any questions about the safety of a job you are doing, bring it to the attention of your Supervisor immediately. On-the-job injuries are a very serious matter, and you are required to immediately report any injury to your Supervisor, regardless of how minor you think it may be.

X. WORKPLACE VIOLENCE

The District does not tolerate any act or behavior which can be perceived as threatening, hostile and/or violent. No employee shall make any threat, either physical or verbal, against a co-worker, Supervisor, member of the Board of Directors, or member of the public. No Employee, other than those required by their position, shall bring a weapon of any type to a District facility, including parking lots and public streets outside or immediately adjacent to a District building, or place a weapon in a District vehicle or equipment.

All employees are required to report immediately to their Supervisor any threats or incidents of violence. Supervisors are required to investigate incidents of violence or threats of violence to

maintain safety.

XI. SMOKING POLICY

In keeping with the District's intent to provide a safe and healthful work environment, smoking in the workplace, including District vehicles, is prohibited.

XII. DRUG AND ALCOHOL FREE WORKPLACE

It is the intent of the District to maintain and enforce a workplace that is free of drugs and alcohol and to discourage drug and alcohol abuse by its employees. The District has a vital interest in maintaining safe and efficient working conditions for its employees. Substance abuse is incompatible with health, safety, efficiency and service to the public. Employees who are under the influence of a drug or alcohol on the job compromise the District's interests, endanger their own health and safety and the health and safety of others, and can cause a number of other work-related problems, including absenteeism and tardiness, substandard job performance, increased workloads for co-workers, behavior that disrupts other employees, delays in the completion of jobs, and disruption of service to the public.

While on paid duty time or on District property, including in District vehicles or while operating District equipment, employees shall not be under the influence of, consume, or possess alcoholic beverages or be under the influence of, consume or possess illegal or non-prescription controlled substances. Employees shall not work or be at work while under the influence of any prescription medication, which could affect job performance without written authorization from a qualified physician and the employee's Supervisor.

XIV. USE OF TELEPHONES

Employees may be required to reimburse the District for any charges resulting from their personal use of the telephone.

To ensure effective telephone communications, employees should always use the approved greeting and speak in a courteous and professional manner. Please confirm information received from the caller and hang up only after the caller has done so.

Personal calls and/or texting during working hours (not including breaks or lunch) should be infrequent and must not interfere with work activities. Employees are reminded that cell phone usage without using hands-free mode or texting while driving are prohibited by state law.

The District by policy does not provide employee cell phones. If a District cell phone is provided, it should be used for District business, and personal calls are to be limited and should occur rarely. The District reserves the right to access, view and copy any employee's District-owned cell phone data, correspondence, log files, etc. created or stored on District-owned cell phones if necessary for business purposes. No user of a District-owned cell phone should have any expectation of privacy nor assume that such use will be anonymous. Use of a personal phone for business purposes may result in the contents of a personal cell phone being discoverable in a legal matter. It is essential that proper etiquette and language be used at all times related to District business, whether by text, email or phone.

XV. USE OF COMPUTER, INTERNET AND E-MAIL

The District computer equipment shall be utilized for District business purposes only. The Internet and e-mail facilities provided by the District are considered District property. Access to the internet services and use of e-mail imposes certain responsibilities and obligations. Access to the internet is subject to required compliance with all District policies and any applicable laws and regulations.

The following policies shall apply to all use of the Internet and e-mail by District employees.

- A. Access to the internet through District facilities is provided for District business purposes. Personal browsing of the internet is prohibited during work hours. Personal use of e-mail should be limited. In addition, use of District facilities in furtherance of personal, political, and religious causes is not permitted.
- B. Any e-mail or other electronic communication sent or received via the internet, must be appropriate for the work place. Remember that e-mail is a relatively permanent form of communication and may be subject to discovery in litigation on the same basis as correspondence or internal memos. Do not transmit anything in an e-mail message that you would not be comfortable writing in a letter or memorandum. Deletion of an e-mail does not eliminate backup copies of the message that are automatically stored electronically.
- C. Employees are expected to act in a responsible and professional manner when they use the internet and e-mail facilities. Actions that may cause interference with the internet or disruption of work activities are prohibited.
- D. The District reserves the right to access or monitor (with or without notice) any use of the internet and other District facilities, any transmission made via the internet, e-mail, telephone, and any electronically stored information. The reasons are in the District's discretion, but may include retrieving business information, investigating or resolving communication problems, preventing system misuse, ensuring compliance with legal and regulatory requests, and enforcing District policy.
- E. The use of e-mail or any electronic communication method in any way that is infringing, insulting, disruptive, or offensive or harmful to morale is prohibited. Sexually explicit messages, ethnic or racial slurs, and any other messages that could be construed to be harassment or disparagement of others based on their ancestry, sex, race, sexual orientation, marital status, age, national origin, religious or political beliefs, medical conditions, and other offensive or unlawful remarks, jokes, slurs, and obscenities are prohibited.
- F. Use of the internet to view, access, upload, download, store, transmit, create, or otherwise manipulate pornographic or other sexually explicit materials, or to engage in or facilitate gambling or acts in violation of any law is prohibited.

Failure to adhere to the foregoing policies may result in disciplinary action, including termination

of employment.

XVI. USE OF EQUIPMENT AND VEHICLES

Equipment and vehicles essential in accomplishing job duties are expensive and may be difficult to replace. When using District property, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards, and guidelines. Please notify the Supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair. Prompt reporting of damages, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others. The Supervisor can answer any questions about an employee's responsibility for maintenance and care of equipment or vehicles used on the job.

The improper, careless, negligent, destructive, or unsafe use or operation of equipment or vehicles, as well as excessive or avoidable traffic and parking violations, can result in disciplinary action, up to and including termination of employment. Employees may be allowed to commute with District vehicles under certain circumstances, with the explicit permission of the General Manager. This policy is further expanded on in great detail under Policy 004: Employee Use of District Vehicles.

XVII. RETURN OF PROPERTY

All District property must be returned by employees on or before their last day of work. Where permitted by applicable laws, The District may withhold from the employee's paycheck the cost of any items that are not returned when required. The District may also take all action deemed appropriate to recover or protect its property.

Section 2. SALARY ADMINISTRATION

I. GENERAL PROVISIONS

The following practices apply to specific elements of the District's salary plan and its administration:

A. Pay Rate

All employees will be compensated at a rate deemed appropriate by the General Manager in relation to the range of pay established by the Board of Directors for the position. The pay rate will be commensurate with the employee's performance.

B. Pay Periods

All employees are paid on a bi-weekly basis for time worked in the previous pay period. A Pay Period consists of time worked beginning at 12:01 a.m. on Saturday and ending at 12:00 midnight on the following Friday. Employees are paid every other Wednesday by 12:00 noon.

C. Salary Review

1. The General Manager will review all salary ranges annually and make recommendations to the Board. If changes are appropriate, such changes will become effective at the beginning of the following Fiscal Year, if not in the current year salary budget.
2. The General Manager shall review all salaries for cost of living and other changes (generally prior to adoption of the budget for the next Fiscal Year), to be effective at the beginning of the Fiscal Year; however, individual salaries may be reviewed more often, as needed.

The General Manager may authorize the adjustment of the salary rate of an employee to recognize excellence, maintain salary equity related to performance and position, to ameliorate undue hardship or unfairness due to the application of any rule or policy, to correct inappropriate salary inequity, or reduce a salary based upon unsatisfactory work performance. However, without Board approval, salary adjustments must remain within the established range of pay for the position.

D. Work Performance Evaluations

The goal of the work performance evaluation process recognize job performance related to their responsibilities and annual or long term performance goals. This allows measurement of the efficiency and effectiveness of District operations and provides employees with meaningful feedback about their performance. Effective performance appraisals and performance planning provides a basis for making personnel decisions related to such areas as merit pay increases, promotion, job assignments, training, retention, and long range career planning. The performance

planning process is intended to be participatory and result in better understanding and alignment on job performance among the supervisor and employee.

The process is designed to be as objective as possible, focusing on overall performance in relation to job responsibilities, performance goals, and also takes into account conduct, behavior, attendance and tardiness. In addition, special written performance appraisals may be conducted by the employee's manager at any time to inform the employee of the existence of performance or disciplinary problems. The use of such a system does not waive either the District or the employee's right to terminate employment at any time with or without cause.

1. A work performance evaluation shall be completed by the employee and supervisor no less than one (1) time per fiscal year, and all such reviews shall be reviewed and approved by the General Manager and Supervisor along with the annual salary review.
2. If an employee is evaluated as "Satisfactory" or better, the employee may be granted a meritorious increase in salary, effective the beginning of the fiscal year or next full pay period consistent with the approved existing salary budget for the Fiscal Year.
3. If an employee receives an overall "unsatisfactory" evaluation, the General Manager shall determine if a salary adjustment or other action is warranted.
4. If an employee receives an overall "unsatisfactory" evaluation, the supervisor shall perform another evaluation after six months or less. If after re-evaluation a "satisfactory" or better rating is given, the General Manager shall determine if any salary adjustment will be granted.
5. If an employee believes the evaluation is inaccurate, they may provide summary and evidence as rebuttal to the evaluation, which will also be placed in the personnel file.

Section 3. CLASSIFIED SERVICE

I. GENERAL PROVISIONS

A. The standards of the Federal Fair Labor Standards Act will be used to determine exempt and non-exempt status.

B. Classification of Positions

Each position shall have a job description which outlines the required duties, education and experience. Job descriptions may be amended or revised by the General Manager and approved by the Board of Directors.

C. Employee Categories

1. Full-time employees are those who have satisfactorily completed the introductory period; full-time employees receive full benefits.

2. Part-time employees are those whose regularly scheduled hours of work are less than 1,000 hours per fiscal year; part-time employees are not eligible for health/dental, sick, holiday benefits, or educational assistance.

3. Temporary employees are those hired on an “as needed” basis; temporary employees are not eligible for any employee benefits. They may be hired directly or through a temporary agency or service.

D. New Employees, Introductory Period

1. Newly hired full-time and part-time employees are required to work thirteen (13) full pay periods (equivalent to six months) in an introductory status. This introductory period will be used by the District to observe and evaluate the employee’s suitability. Also, this time will be used by the employee to evaluate the new position to determine if he or she wishes to remain an employee.

2. The introductory period may be extended in writing by the General Manager for any period up to ninety (90) calendar days for further evaluation.

3. All performance evaluations shall be completed by the supervisor and reviewed by the General Manager prior to the completion of the introductory period, but may be completed more often if deemed necessary by the General Manager.

4. During the introductory period, employees may be discharged by the General Manager at any time without cause and without the right to appeal.

E. Promoted Employees - Introductory Period

1. An employee who is promoted or changes positions shall work a six (6) month

introductory period in the new position. The introductory period may be extended in writing by the General Manager for any period up to ninety (90) calendar days for further evaluation.

2. A performance evaluation shall be completed by the supervisor and reviewed by the General Manager prior to the completion of the sixth (6th) month of service.
3. Any promoted employee who does not successfully complete the introductory period may, at the discretion of the General Manager, be reinstated to the position held prior to the promotion, provided that position has not been filled by a full-time employee.

Section 4. RECRUITING AND ORIENTATION

I. GENERAL PROVISIONS

A. Filling Vacancies

1. Job vacancies may be filled from within the District.
2. Temporary appointments may be made at any time to provide District services.
3. Job vacancies may be filled through use of recruiter or staffing agency.
4. All applicants shall be furnished a job description, including rate of pay and any other pertinent information.

B. Outside Recruitment

1. Positions not filled from within will be made public by the preparation of a written job announcement, which will provide the job title and range of pay for the position, the nature of the job duties, the education and experience required, and where and how to apply. This announcement will be placed on the District website and may be placed on the internet or in a newspaper of local circulation.
2. Applicants will be required to complete and submit an application letter and resume.

C. Orientation

1. New employees will be provided with an orientation regarding the purposes and services of the District. At this orientation, every new employee will be supplied with a copy of the District's Employee Handbook and will acknowledge receipt of the handbook.
2. New employees shall be furnished a written statement of appointment/offer letter, including effective date of employment, salary and any other pertinent information.

Section 5. SEPARATION AND LAYOFF

I. GENERAL PROVISIONS

A. Separation Categories

When an employee is separated for any reason, the employee should meet with the Administrative Services Specialist or General Manager for an exit interview, where employee benefits to which the employee may remain eligible will be discussed, including, but not limited to, vested rights under the retirement plan, accrued sick leave, and accrued vacation.

The employee shall, at that time return all property which has been issued to them by the District.

1. Resignation

A voluntary resignation occurs when an employee provides the District with a signed and dated letter of resignation at least two (2) weeks prior to the designated date of resignation.

2. Retirement

An employee who retires is no longer an employee of the District. That employee may be eligible for the provisions and benefits of the District's retirement plan, administered by the California Public Employees Retirement System (CalPERS). The employee should meet with the General Manager for an exit interview, where employee benefits to which the employee may remain eligible will be discussed, including, but not limited to, vested rights under the retirement plan, accrued sick leave, and accrued vacation. The employee will, at that time, return all property which had been issued to them by the District.

If a full-time employee has attained the age of sixty (60) and has been continuously employed by the District for a minimum of five (5) years upon Board approved retirement, the District may continue to pay the premium for medical insurance coverage for the retiree and their spouse, until the retiree reaches the age of Medicare eligibility. Exceptions or modifications to this section may be authorized by actions of the Board of Directors upon recommendation of the General Manager.

3. Discharge

An employee who is involuntarily terminated is considered discharged from District employment.

4. Layoff

An employee may be separated from employment because of reorganization, a shift in District priorities, or a financial or other condition requiring a reduction in force.

5. Abandonment of Job

An employee may be subject to disciplinary action that could result in separation if they are away from the job for more than one week without notice to the General Manager.

B. Procedures for Layoff

1. When a layoff is necessary, many factors will be considered. The date of hire will generally govern among similar positions. The District may at its discretion, retain an employee with a later hire date due to that employee's special training, ability, knowledge, or experience.
2. Affected employees shall be notified in writing of an impending layoff.
3. If the District expects an employee to be recalled within twelve (12) months after a layoff, the employee may elect to either retain accrued vacation and sick leave benefits or receive payment for accrued benefits at time of layoff within the limits of District contracts for benefits and State Labor Laws.

C. Recall

1. Employees who are laid off will remain on a recall list for twelve (12) months and shall be given the first opportunity to fill vacancies in the classification from which they are laid off and/or for which they are qualified.
2. Recalled employees shall not have to serve an introductory period and will have all prior accrued rights, benefits, and entitlements restored providing they meet the current standards for the position they are being recalled to fill. However, an employee who is laid off during an introductory period must still complete the un-expired portion of said period.
3. Recalled employees shall be notified of the recall by certified letter. Employees who do not directly contact the General Manager within ten (10) working days of the mailing date of said letter shall be deemed to have rejected the offer of renewed employment and shall be removed from the recall list.

Section 6. ABSENCE

I. GENERAL PROVISIONS

A. Categories

1. Vacation

a. Eligibility

Every full-time employee of the District shall earn vacation in accordance with the following schedule. Temporary employees are not entitled to any vacation benefits; part-time employees working more than 20 hours a week are eligible for pro-rated vacation benefits, which are figured as a percentage based on a 40-hour work week.

- 2) Annual vacation shall accrue for fractional parts of bi-weekly pay periods falling at the beginning or ending of service.
- 3) Vacation may be used in lieu of sick leave, if the employee desires, upon the approval of the General Manager.
- 4) Annual vacation may be accumulated for use in succeeding years, but the maximum amount of vacation that may be accrued is 240 hours. When an employee has accrued that maximum number of vacation hours, he or she may not accrue further vacation time until his or her accrued vacation time has dropped below the maximum number of hours. Employees shall be

notified in payroll information or upon request as to their amount of accrued vacation time.

- 5) Upon request, the General Manager may approve the payout of vacation hours providing the employee has used at least 5 days of vacation in the preceding 12 months.

c. New Employees

During the introductory period, new employees accrue vacation entitlement from their date of hire. However, such employees will not be eligible for vacation until they successfully complete their introductory period, except that the General Manager may permit an introductory employee to take up to five days of paid vacation during the introductory period, subject to the limitation that, if the employee leaves employment prior to the time the employee has accrued the full amount of vacation taken up to the date of separation, any unaccrued vacation time would be offset against salary earned.

d. Scheduling

- 1) The times when vacation may be taken and the amounts granted during any particular period are matters of administrative discretion based on the District's needs.
- 2) Scheduling of annual vacation must be approved in advance by the supervisor, except in cases of an emergency.
- 3) Work requirements and the wellbeing of the employee are the determining factors in approving vacation schedules.
- 4) When an approved holiday falls within a vacation period the employee shall not be charged vacation credit for that time.

e. Upon Retirement

Employees retiring on the California Public Employees Retirement System ("CalPERS") must use either all accrued vacation, up to the maximum allowed prior to retirement, or request a cash lump sum payment. The amount of the lump sum payment is not included in the employee's annual salary by CalPERS.

f. Upon Separation

Employees, upon separation from the District, shall be paid a cash lump sum at their then current rate of pay for all accrued annual vacation prorated to the last day of employment.

2. Sick Leave

a. Sick leave is provided by the District and is intended to promote the health and welfare of the individual employee. Sick leave permits the employee to be absent from duty without a loss of pay when they are incapacitated by reason of illness, injury, pregnancy, medical confinement; when a member of the immediate family must be cared for by the employee; or when an employee has been exposed to a contagious disease and their presence on the job might endanger fellow workers.

b. Eligibility

- 1) Sick leave is earned by full time employees at the rate of eight (8) hours of paid sick leave per month, which is equivalent to 3.69 hours per biweekly pay period. Temporary and part-time employees earn 24 hours at the beginning of each calendar year; these hours do not carry over.
- 2) Sick leave benefits shall accrue for fractional parts of bi-weekly pay periods falling at the beginning and ending of service. Newly hired employees shall be eligible for this benefit upon completion of two (2) full pay periods of service. Temporary and part-time employees are eligible to utilize sick leave upon 90 days of employment by District.
- 3) Sick leave may be used for medical, dental, or optical examinations or treatments.
- 4) A medical certificate, should be provided by the employee for any absence of sick leave for more than five (5) working days.
- 5) If after reviewing an employee's record of sick leave usage the District believes sufficient cause exists to suspect abuse of sick leave, a medical certificate may be required for any subsequent use of sick leave, regardless of length. Confirmed abuse or improper use of sick leave may be cause for disciplinary action including termination.
- 6) In accordance with the provisions of the Family Medical Leave Act, absence from duty not to exceed four (4) months for maternity reasons may be authorized. Maternity leave is chargeable to sick leave, annual vacation and leave without pay as appropriate. To support a request for maternity sick leave, the employee should submit a statement by her physician showing the expected period during which she will be incapacitated for the performance of her duties.

c. Procedure

- 1) When an employee is incapacitated for the performance of their duties for reasons that entitle him or her to use sick leave he or she should notify their supervisor no later than thirty (30) minutes after the beginning of the

employee's work day.

- 2) Each employee shall be responsible for informing the District of their health status until he or she returns to work.
- 3) If an employee is on sick leave on the day the District observes a holiday, that day shall not be counted as a day of sick leave.
- 4) Sick leave benefits may only be taken in one-half hour or more increments.

e. Separation

Upon a full time employee's separation (resignation, retirement at normal retirement date, death, or layoff, but not discharge or abandonment of job) unused sick leave shall be paid to the employee, or their designated beneficiaries in the event of death, on the following basis for all full time employees only:

Employees who receive a disability retirement due to their incapacity to work shall be entitled to a 100 percent (100%) cash payment of any unused sick leave balances, computed at their then current base pay rate, if they elect an early retirement in lieu of exhausting such accrued sick leave balances. In the event of death resulting from an occupational injury, cash payment shall be made to the employee's estate, in accordance with the requirements of the District's CalPERS contract.

3. Family Medical Leave Act/California Family Rights Act

a. To the extent not already provided for under current leave policies and provisions, the District will provide family and medical care for eligible employees in compliance with Family Medical Leave Act/California Family Rights Act. The following provisions set forth certain rights and obligations with respect to such leave. Rights and obligations which are not specifically set forth below are set forth in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 ("FMLA") and the regulations of the California Family Rights Act ("CFRA").

b. Definitions:

- 1) "12-Month Period" means a rolling 12-month period measured backward from the date leave is taken and continuous with each additional leave day taken.
- 2) "Child" means a child under the age of 18 years of age, or 18 years of age or older who is incapable of self-care because of a mental or physical disability. An employee's child is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or step-child.

A child is "incapable of self-care" if he/she requires active assistance or supervision to provide daily self-care in three or more of the activities of daily living or instrumental activities of daily living--such as caring for, grooming and hygiene, bathing, dressing and eating, cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using telephones and etc.

- 3) "Parent" means the biological parent of an employee or an individual who stands or stood in loco parentis (in place of a parent) to an employee when the employee was a child. This term does not include parents-in-law.
 - 4) "Spouse" means a husband or wife as defined or recognized under California State law for purposes of marriage.
- c. Reasons for Leave: A leave may be taken to care for an employee's child after birth or placement for adoption or foster care; to care for an employee's spouse, dependent or disabled child, or a parent who has a serious medical condition; or for a serious health condition that makes the employee unable to perform his/her duties.
 - d. Eligibility for Leave: An employee is eligible for leave if the Employee has been employed for at least 12 months; and has been employed for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave.
 - e. Duration of Leave: Eligible employees are entitled to a total of 12 Workweeks of leave during any 12-month period. If the leave is requested in connection with the birth of a child, an employee may qualify for a pregnancy disability leave permitted by California law of up to four months per pregnancy.
 - f. Employee Notice of Leave: Although the District recognizes that emergencies arise which may require employees to request immediate leave, employees are required to give as much notice as possible of their need to leave. If leave is foreseeable, at least 30 days notice is required. In addition, if an employee knows that he/she will need leave in the future, but does not know the exact date(s) (e.g., for the birth of a child or to take care of a newborn), the employee shall inform his/her Supervisor as soon as possible that such leave will be needed. Such notice may be orally given.
 - g. Reinstatement Upon Return From Leave: Upon expiration of leave, an employee is entitled to be reinstated to the position of employment held when the leave commenced, or to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment. Employees have no greater rights to reinstatement, benefits and other conditions of employment than if the employee had been continuously working during the FMLA/CFRA period.
 - h. Fitness for Duty Certification: As a condition of reinstatement of an employee whose leave was due to the employee's own serious health condition, which made the employee unable to perform their job, the employee must obtain and present a fitness-for-duty certification from the health care provider that the employee is

able to resume work. Failure to provide such certification will result in denial of reinstatement.

4. **Pregnancy Disability Leave Policy:** An employee who is disabled due to pregnancy, childbirth or a related medical condition is entitled to a leave of absence without pay for up to four (4) months so long as the employee's attending physician certifies that she is physically unable to work due to pregnancy or pregnancy-related conditions. An employee is entitled to use any accrued sick leave or vacation during this period of time. The use of accrued sick leave or vacation shall not extend the length of the leave. An employee may also be eligible for State Disability Insurance for portions of the leave.

A request for pregnancy disability leave of absence should be submitted by the employee as soon as feasible after the employee learns of her pregnancy disability. The employee must provide a written statement from her physician indicating the date the physician believes the leave of absence should commence and the estimated date the employee will return to work. In addition, before returning to work following a pregnancy disability leave of absence, an employee shall submit written verification from her physician that she is able to return to work.

Upon expiration of the approved leave, the employee shall be reinstated to her former position or to a comparable available position if the former position is unavailable due to business necessity. Failure to return to work after the authorized four month leave period causes the employee to have no reinstatement rights. Additionally, an employee who fails to return to work may be required to reimburse the District for the District's contribution for health benefits during the pregnancy disability leave.
