# SAN BERNARDINO VALLEY WATER CONSERVATION DISTRICT BOARD OF DIRECTORS MEETING

MINUTES OF November 14, 2018 1:30 p.m.

President Corneille called the meeting of the Board of Directors to order at 1:30 p.m. All present stood for the Pledge of Allegiance, led by President Corneille.

### **ROLL CALL:**

### **BOARD MEMBERS PRESENT:**

Richard Corneille, President
David E. Raley, Director
T. Milford Harrison, Director (Arrival 1:40 p.m.)
John Longville, Director
Melody McDonald, Vice President

### **BOARD MEMBERS ABSENT:**

None

#### GENERAL COUNSEL PRESENT:

David Cosgrove, Rutan & Tucker, LLP

### STAFF PRESENT:

Daniel Cozad, General Manager Jeff Beehler, Land Resources Manager Athena Monge, Administrative Services Specialist Katelyn Scholte, Assistant Engineer

### **GUESTS PRESENT:**

David Smith, East Valley Water District Michelle Diamond, Tetra Tech James Folmer, Highland Community News

### 1. PUBLIC PARTICIPATION

President Corneille announced that any persons present, who so desired, may make an oral presentation to the Board of Directors. Hearing none, the meeting continued with published agenda items.

### 2. ADDITIONS/DELETIONS TO AGENDA

There were no additions or deletions to the posted agenda.

### 3. PRESENTATION

Mikael Romich presented a PowerPoint presentation on the biological studies being performed in Mill Creek. Mr. Cozad noted that this project was a joint project with San Bernardino Valley Municipal Water District (Valley Municipal) which will be discussed in further detail under another agenda item. Mr. Romich has completed a habitat assessment on the biological

resources in Mill Creek and developed a plant community map and endangered species map. Mr. Romich collected drone imagery of the area and established a database for the information collected. He noted that the focus of the study was primarily the San Bernardino Kangaroo Rat (SBKR) and the California Gnatcatcher. Mr. Romich presented a review of the habitat suitability map. Director Raley asked what the marginal cost would be to maximize the value out of the land. Mr. Cozad said that if the District were to mitigate a project, the FWS would ask us to improve the property, and we would set up an endowment to maintain it. If another entity wanted to mitigate, it would pay for the initial work and endowment as well. President Corneille asked when the study will be complete. Mr. Romich said that in the spring he will perform the California Gnatcatcher and Cactus Wren survey to identify areas where they are nesting. The Board thanked Mr. Romich for his efforts.

### 4. CONSENT CALENDAR

It was moved by Director Harrison and seconded by Director Longville to approve Item A: Board Meeting Minutes, October 10, 2018, and Item C: Expenditure Report, October 2018. The motion carried 5-0 with all Directors present voting in the affirmative.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes Director Harrison: Yes

It was moved by Director Raley and seconded by Director Harrison to approve the balance of the Consent Calendar: Item B: Special Board Minutes, November 1, 2018. The motion carried 4-0 with all Directors present voting in the affirmative and Director Longville abstaining from the vote due to his absence at the November 1 meeting.

President Corneille: Yes Vice President McDonald: Yes Director Longville: Abstain

**Director Raley: Yes Director Harrison: Yes** 

### 5. COMMITTEE REPORTS/ACTION ITEMS

### A. UNAUDITED FINANCIAL REPORTS, OCTOBER 2018

Mr. Cozad introduced this item for discussion. Director Raley asked for clarification regarding the graph budget. President Corneille asked why the groundwater charge was above budget. Mr. Cozad said that the budgeted amount was based on all potential Groundwater Council members being active in the Groundwater Council. Some of the entities have paid the groundwater change assessment under the District's water code process rather than Groundwater Council dues offsetting each account by nearly the same amount. On a separate issue, President Corneille asked how much election fees would be for the recent race. Mr. Cozad stated that staff based the budgeted election fee prior costs for the last election, but no known estimate of charge is available and an actual cost will be known when we receive the invoice from the Registrar of Voters.

It was moved by Director Longville and seconded by Vice President McDonald to approve the Unaudited Financial Reports for October 2018. The motion carried 5-0 with all Directors present voting in the affirmative.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes Director Harrison: Yes

# B. ACTIVE RECHARGE PARTNERSHIP AGREEMENT FOR THE UPPER SANTA ANA RIVER HABITAT CONSERVATION PLAN

Mr. Cozad introduced this item for discussion and provided a handout showing redline changes to the draft agreement. He said that the agreement would provide for conservation easements for the Upper Santa Ana River Habitat Conservation Plan (HCP). Director Harrison indicated he would be abstaining from the vote and not participating in the discussion to avoid any appearance of conflict due to his recent election to the Board of the San Bernardino Valley Municipal Water District. Mr. Cozad said that the agreement would make available up to 295 acres of District-owned land. Valley Municipal would pay the District for the conservation easements, and also pay for the mitigation endowment required by the U.S. Fish and Wildlife Service (USFWS) or others, and the Conservation Trust would hold those funds. The District is committing to use the funds received from Valley Municipal towards its mission and to develop specific recharge facilities called transfer projects in Mill Creek, City Creek, Twin Creek, and Plunge Creek, and once operational the District would be responsible for maintaining those facilities under this agreement. Mr. Cozad proposed that the Board approve the agreement as presented with non-substantive changes and that, should there be any substantive changes, those would be brought to the Board for ratification at a later meeting. Mr. Cosgrove indicated that the redline changes are listed primarily in Section 10. This section states that the transfer projects are conceptual and the costs are estimates, and there is nothing in the agreement that binds the Conservation District to these specific projects. President Corneille spoke in support of signing the agreement.

It was moved by President Corneille and seconded by Director Longville to approve the Active Recharge Partnership Agreement for the Upper Santa Ana River HCP as amended within redline version handout and any minor revisions proposed by staff. The motion carried 4-0 with all Directors present voting in the affirmative and Director Harrison abstaining.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes

**Director Harrison: Abstain** 

### C. ENGINEERING INVESTIGATION PLAN FOR 2019

Mr. Cozad introduced this item for discussion. He stated that Katelyn Scholte, Assistant Engineer, prepared the Draft Engineering Investigation Plan for 2019 which is included on package pages 54 to 60. President Corneille noted that the Upper Santa Ana Water Resources Association which is listed in the draft plan has been disbanded. He also recommended presenting the Engineering Investigation Report to the Groundwater Council if time allows. Mr. Cozad concurred with his recommendation. President Corneille requested that the Draft Engineering Report be reviewed by the Operations Committee prior to its release to the public. The Board thanked staff for their efforts and the cost savings to the District by preparing the report in-house.

It was moved by Vice President McDonald and seconded by Director Harrison to approve the Engineering Investigation Plan for 2019 with minor revisions. The motion carried 5-0 with all Directors present voting in the affirmative.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes Director Harrison: Yes

### D. GROUNDWATER COUNCIL BUDGET COMMITTEE EFFORT FOR 2019

Mr. Cozad presented this item for discussion noting the inclusion of the draft Groundwater Council Equitable Allocation Model on pages 61-65. He has been appointed chair of the Groundwater Council Budget Committee. He discussed the sustainability costs which are the costs to refill the basin. Ms. Scholte expanded on the allocations presented. Mr. Cozad said that the numbers shown are preliminary and that distributions would change. This item was received and filed.

### E. 2019 BOARD MEETING CALENDAR REVIEW

President Corneille presented this item for discussion. The September meeting was scheduled for September 25, 2019 to allow Board members who desire to go to the California Joint Powers Authority Conference typically planned for the second week of September. President Corneille suggested that September 25 would be too close to the October meeting. The May meeting is scheduled for the fourth Wednesday of May due to Association of California Water Agencies Conference being held on the second Wednesday of the month. Several Board Members and Staff attend this meeting. Director Longville said that he would like to keep the meetings consistent and to adhere to the schedule to the maximum extent possible. It was the consensus of the Board to change the September Board Meeting to September 11 and for the remainder of the calendar to remain as presented.

It was moved by President Corneille and seconded by Director Longville to approve the Draft 2019 Board Meeting Calendar with the revision of September's meeting being moved to September 11. The motion carried 5-0 with all Directors present voting in the affirmative.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes Director Harrison: Yes

### F. RESOLUTION OF APPRECIATION FOR SERVICE ON THE BOARD OF DIRECTORS

President Corneille introduced this item for discussion. Mr. Cosgrove thanked Director Harrison for his service on the Board and congratulated him on his recent election to the Board of Directors of Valley Municipal. There were minor revisions made to the resolution which were noted.

It was moved by Vice President McDonald and seconded by President Corneille to approve Resolution No. 562 with minor revisions. The motion carried 5-0 with all directors present voting in the affirmative.

President Corneille: Yes Vice President McDonald: Yes

Director Longville: Yes Director Raley: Yes Director Harrison: Yes

### 6. <u>INFORMATION ITEMS</u>

### A. WASH PLAN VERBAL UPDATE

Mr. Beehler provided a verbal update on the Wash Plan. The Environmental Investigation Report and Environmental Investigation Statement are in Washington, D.C. awaiting review. They moved forward without a cultural section, which will be approved separately. Mr. Beehler said that the District had obtained the 401 permits, and the state version of the permit is forthcoming. The last permit the District needs to receive will come from the US Army Corps of Engineers (USCOE). They had prepared their packet to submit to USFWS the previous week. Staff has completed the staging of rocks and boulders for the Plunge Creek restoration. The consultant is completing the bid documents and the Operations Committee will review the final documents for this project before they go to bid. Mr. Beehler indicated that the District might have permits by January 2019. This item was received and filed.

### B. GENERAL MANAGER'S REPORT AND MONTHLY RECHARGE REPORT

Mr. Cozad indicated that the written General Manager's Report was included in the Board Package on pages 70 to 76. The Monthly Recharge Report was included on page 77. He stated that the District received an estimate from the contractor working on the Enhanced Recharge Project, J.F. Shea Construction, for the recoating and repairs needed to the Parshall Flume on Santa Ana River. The work will complete a new low-flow weir and instrumentation, which is estimated to cost about \$104,000. Staff will be filing a Notice of Exemption for this project. The District will contribute less than \$50,000 to the total cost as its share. Mr. Cozad stated that the Wash Plan Land Exchange Bill is still in Committee and noted that a letter

included on package page 75 was sent out by the District and partner agencies. This item was received and filed.

### C. NOTICE OF VACANCY AND APPOINTMENT PROCESS-DIVISION 3

Mr. Cozad reviewed the proposed schedule for the advertising of the Notice of Vacancy and described the appointment process. A handout of the schedule was provided to the Board for review. The new director must be appointed no later than February 6. It was the consensus of the Board to appoint a Board member rather than hold a special election and to do so in accordance with the proposed schedule.

### D. FUTURE AGENDA ITEMS AND STAFF TASKS

There were none discussed.

Helping Nature Store Our Water

Memorandum No. 1613

To: Board of Directors

From: General Manager, Daniel Cozad

**Date:** December 12, 2018

**Subject:** 1<sup>st</sup> Quarter Financials For 2018-2019

### RECOMMENDATION

The Finance & Administration Committee recommends the Board approve the 1<sup>st</sup> Quarter Financials for 2018-2019 as presented.

### **BACKGROUND**

The Finance & Administration Committee met November 19, 2018 to review the First Quarter Unaudited Financials. No changes were recommended.

### **DISCUSSION**

Chairperson McDonald verified that budgeted Director Expenses include election costs but the District has not received any invoices for these expenses yet. Director Raley expressed his approval of the current financials.

### FISCAL IMPACT

There is no fiscal impact from reporting the financial status of the District.

### **POTENTIAL MOTIONS**

- 1. Move approval of the First Quarter Financials for FY 2018-2019 as presented.
- 2. Move to request this item be tabled and referred to Finance & Administration Committee for reconsideration of specific issues discussed.

Helping Nature Store Our Water

Memorandum No. 1614

To: Board of Directors

From: Finance & Administration Committee/General Manager, Daniel Cozad

Date: December 12, 2018

**Subject: 2019 Per Diem Rate** 

\_\_\_\_\_

### RECOMMENDATION

The Finance & Administration Committee recommends the Board increase the Board Per Diem Rate based on the CPI-U thereby increasing it by approximately 4% (\$9.00) to \$225 for Calendar Year 2019 and approve Resolution No. 563.

### **BACKGROUND**

The Board increased the 2018 per diem rate by 5% after reviewing the Bureau of Labor Statistics (BLS) Consumer Price Index (CPI-U). The Board suggested that future increases should consider the most recent CPI-U. The Finance & Administration Committee (Committee) met on November 19 and reviewed the Current and past Board Per Diem Rate and increase history. The most recent annual CPI-U is 3.5%. The Board in May approved a budget containing a 5% increase in the per diem. Based on these foundations the Committee recommends the per diem rate be increased by \$9.00 from \$216.00 to \$225.00 for calendar year 2019.

The Draft Resolution No. 563 is attached for the Board's consideration or revision.

### **RESOLUTION NO. 563**

# A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN BERNARDINO VALLEY WATER CONSERVATION DISTRICT AMENDING DISTRICT POLICY TO ALLOW FOR A 3% INCREASE IN PER DIEM COMPENSATION

**WHEREAS**, the Board of Directors of the San Bernardino Valley Water Conservation District adopted Ordinance 2014-1 amending District Policy as to how to process changes to rates previously set annually at the May 14, 2014 Board meeting; and

**WHEREAS,** the Board of Directors voted to increase 2018 per diem rate compensation by five percent for the calendar year of 2018 on December 13, 2017; and

**WHEREAS,** the Finance & Administration Committee met to review and discuss the current per diem rate and have recommended an increase in the Directors' per diem compensation rate in consideration of the CPI-U All West October 2018 percentage; and

**WHEREAS**, the District's current policy allows for a director to attend ten meetings per month and receive compensation at a per diem rate of two hundred and sixteen dollars (\$216) per meeting.

# NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE SAN BERNARDINO VALLEY WATER CONSERVATION DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Each director shall receive compensation for meetings set forth in the Board Policy Manual;

<u>Section 2</u>. The Board per diem rate shall increase by 4% effective January 1, 2019; from Two Hundred Sixteen Dollars (\$216) to Two Hundred Twenty Five Dollars (\$225).

Section 3. Each director shall receive per diem compensation in an amount of two hundred and twenty five dollars (\$225) per meeting for calendar year 2019 for attendance at each regular, adjourned or special meeting of the Board of Directors, as provided for and under the conditions specified in the Board Policy Manual;

PASSED, APPROVED, AND ADOPTED at the regular meeting of the Board of Directors of the San Bernardino Valley Water Conservation District this 12th day of December, 2018, by the following vote:

Helping Nature Store Our Water

Memorandum No. 1615

To: Board of Directors

From: General Manager, Daniel Cozad

**Date:** December 12, 2018

**Subject:** Unaudited Financial Reports, November 2018

### RECOMMENDATION

Review and approve the unaudited financials for November 2018.

### **BACKGROUND**

Each month staff presents the unaudited financials for the District. The reports submitted with this Board Letter have a closing date of November 30, 2018.

### **DISCUSSION**

The Enhanced Recharge Agreement payment has been received. Citizens Business Bank balance will reflect receipt of this payment in December. Property Tax revenue is being received slower than budgeted and should balance out in the next few months. Board of Director expenses appear to be well below budget due to unused budgeted election funds.

### FISCAL IMPACT

There is no fiscal impact from reporting the financial status of the District.

### **POTENTIAL MOTIONS**

- 1. Move approval of the Unaudited Financials for November 2018 as presented.
- 2. Move to request this item be tabled and referred to Finance & Administration Committee for reconsideration of specific issues discussed.

Helping Nature Store Our Water

Memorandum No. 1616

To: Board of Directors

From: General Manager, Daniel Cozad

Date: December 12, 2018

**Subject: Appendix C Changes for CSDA Committee Appointment** 

### RECOMMENDATION

Review and consider a change to the Board Policy Manual Appendix C, due to appointment of Vice President McDonald to the California Special Districts Association (CSDA) Member Services Committee for the period from January 1, 2019 to December 31, 2019.

### **BACKGROUND**

Currently, David Raley is a member of the Audit Committee for CSDA, and previously Director Harrison was seated on the Member Services and Professional Development Committee for 2018. On October 10, 2018, the Board reviewed and approved Directors requests for the upcoming 2019 appointments. The appointments were submitted through a new process which requires submission via CSDA website for each director as approved by the Board. Although, Vice President McDonald did not request an appointment to the Member Services Committee she was invited to serve on the Member Services Committee. Vice President McDonald is willing to serve and now seeks Board approval to serve on the Committee. The Member Services Committee meets twice annually; locations are undetermined at this time, but will likely take place in Sacramento. Director McDonald was not appointed to the Legislative Committee.

### **FISCAL IMPACTS**

The District would be required to pay per diem and airfare to Sacramento possibly; estimated annual costs is \$1,430. This amount includes two days of per diem at proposed new rate of \$225 and two secured flights to Sacramento at the rate of \$490 each. The impact of the change in appointments is unlikely to be significantly different than previously approved, due to Vice President McDonald not being appointed to the Legislative Committee.

### **General Manager's Report**

For November 10, 2018 to December 7, 2018 Daniel B. Cozad

Helping Nature Store Our Water

The following report covers the weeks between meetings and the efforts and activities during the reporting period.

- 1. Water Conservation Plan Goal 1 Thanksgiving rains augmented limited watershed flows providing intermittent recharge. Staff continues to recharge all possible available water. Most of the water recharged is State Project water. Santa Ana recharge totals for the Water Year beginning October 1, 2018, total 1,210 AF. The total recharge in Mill Creek is 440 AF. Total water recharge is over 1,650 AF for the water year of that amount about over 1,150 AF was from State Water Project imports.
- 2. Facility Maintenance and Cleanout Plan Goal 1 The initial Mill Creek cleaning and repairs are completed. Additional Sand is being removed for use and sales. Santa Ana maintenance is also finished, and all basins are functioning and ready for the expected winter rains. Further repairs and maintenance will be completed in early December depending on the rains.
- **3.** Aggregate Management *Plan Goal 1* Upland Rock continues to sell sand and rock and also supports District basin cleaning efforts. District staff and Upland will help stage rock for the Plunge Creek Conservation project.
- **4. Personnel/Administration/Staff** Staff, completed work to create and review information for the Classification and Compensation Study by Koff and Associates. Staff completed worksheets and interviews for the study.
- Finance/Budget/Audit Staff implemented the changes approved by the Board. Staff prepared information for the Finance and Administration Committee and for State Controllers reports.

- **6. Mill Creek Diversion Engineering** *Plan Goals 1/4* SBC Flood Control and Staff continue to work with USACOE Section 408 permit staff. All requests have been supplied to the USACOE. All other permits will be timed to coordinate with the 408 permit. All requested information has been submitted to the USACOE for the 408 permit, and modeling engineering calculations have been requested.
- **7. Plunge Creek Restoration Conservation Project** *Plan Goals 1/4* Regional Water Quality Control Board 401 certification permit is complete. The USACOE 404 permit is nearly complete awaiting COE's USFWS consultation. Permitting for the project requires a Section 7 consultation with USFWS which was initiated by the USACOE.
- **8.** Enhanced Recharge Project *Plan Goal 1* J.F. Shea Construction has completed the initial phase of the project. The Enhanced Recharge Basins are scheduled for construction in 2020. Improvements at the Cuttle Weir are permitted in the River Habitat Conservation Plan and will follow its approval. Additional improvements proposed by SBVMWD for the Parshall Flume are underway with a share of the funding coming from the District. The sedimentation basin saw its first water this month with small flows as Edison did not use the river flows.

- **9. Groundwater Council** *Plan Goal 1* The Groundwater Council met on December 10<sup>th</sup> to review participation and Budget Committee recommendations, and an oral report will be provided as part of the General Managers Report.
- **10.** Wash Plan Plan Goal 4 The Wash Plan has a separate report listed on the agenda. USFWS and BLM are reviewing documents at the Washington DC level and completing tasks to meet the requirements for Federal Registrar Publication. The cultural report will follow and is the last item to complete.
- **11. Santa Ana River Wash Plan Land Exchange Act** *Plan Goal 4* HR-497 was heard in the Senate Energy and Natural Resources Markup Hearing on May 17<sup>th</sup> and passed out of committee. On July 31, 2018, the clean Committee Report was filed. As was predicted, an effort is underway to move a federal lands bill including the HR-497 during the lame duck session in December. The District and several Wash Plan Partners provided support letters. It is uncertain if there will be time to get the bill passed in this session of Congress.

- **12.** Conservation Trust Plan Goal 4 The Conservation Trust Board of Directors last met on September 28, 2018. Staff continues to coordinate with the City of Highland and development interests adjoining the Wash Plan for Community Mitigation needs. Staff continues to work with a number of parties for mitigation lands. Staff is working with Wash Plan participants who may need more mitigation than expected for their projects to get their projects permitted.
- **13. Property/Redlands Plaza** Staff continues to manage Redlands Plaza and various issues related to tenants and maintenance. One unit is vacant with one current tenant interested in leasing the unit.
- **14. Mining** Mining efforts by CEMEX contractors continue on the Plant Site quarry. District Counsel drafted revisions to the existing lease to revise it for the Wash Plan implementation. CEMEX reviewed the draft providing extensive changes. Staff coordinated survey and follow-up for potential Robertson's mining area with Robertson's and USFWS Coordination and communications with permitees and resources agencies continue.
- **15. Public Outreach and Legislative** *Plan Goal 5* Staff continued working with the BTAC group on Conservation outreach and related efforts. Staff also continued coordination and efforts for school education with IERCD.
- **16.** Community Recharge and Mitigation Plan Goal 1 and 4 The 2017 Community Strategic Plan (CSP) included this effort for planning and implementation. Based on staff efforts and in accordance with the resolution the District and SBVMWD are documenting the partnership to expand River HCP mitigation and Active Recharge Projects discussed below.
- **17. Active Recharge Partnership** *Plan Goals 1, 2 and 4* As a result of the Joint Board Meeting in September legal counsel and staff prepared a draft Partnership Agreement MOU for Active Recharge Projects and Habitat Conservation Easements. The revised agreement was approved by the Board and provided to SBVMWD for review and approval at a future meeting.
- **18.** Current Board Action Implementation Many priority efforts have separate sections of the General Manager's Report, or independent Board requested reports. Staff and District Counsel worked closely on EHL/CBD v. USACOE settlement as well as other closed session property items. Staff worked with Thunderwheel to complete a year in review document provided as a handout.
- **19. Future Board Activities** Expected short-term items for consideration or note
  - Revised Memorandum of Agreement with IERCD when completed
  - Review and consideration of approval of the Memorandum of Agreement with the BLM in 2018
  - Partnership Agreement for Active Recharge if there are any changes
  - Budget Planning efforts
  - Potentially Federal Register Listing of Wash Plan

### **20. District Successes**

- Additional permits for Plunge Creek Conservation project are being completed.
- Considerable work in the field in the fall prepared for the recharge waters being seen currently.
- Staff and Directors participated in committees and sessions at the ACWA Conference in San Diego including a retirement celebration for Tim Quin their Executive Director. In San Diego, they have lots of salty water, but it's pretty.
