PLEASE TAKE NOTICE that the Board of Directors of the San Bernardino Valley Water Conservation District will consider adoption of its Ordinance 2014-1, adopted pursuant to California Water Code sections 20201, *et seq.*, relating to compensation for the District's directors. Conservation District directors receive no salary, but are entitled to per diem compensation for up to ten (10) meetings per month. Ordinance 2014-1 proposes to keep the present rate of One Hundred Ninety-Seven Dollars (\$197.00) per day for the District's per diem director compensation, which may be raised annually by resolution of the Board, but not in excess of five percent (5%) each year. The District's Board reviewed and approved the ordinance on February 12, 2014, for public hearing, and will consider final adoption of the Ordinance at the Regular Meeting of the Board of Directors on March 12, 2014, at 1:30 p.m. at the District's offices located at 1630 West Redlands Boulevard, Suite A, Redlands, California 92373-8032. Copies of the text of Ordinance 2014-1 can be viewed at the District's website at [insert link], or can be viewed during normal business hours at the District's offices, at the address above.

All interested persons are invited to appear and submit any oral or written materials or presentations to the Board relating to its proposal to adopt the Ordinance at the public hearing.

Please be advised that parties wishing to challenge the Ordinance may be limited to raising only such issues as have been presented to the Board at or before the date of the public hearing, and the Board's action on the Ordinance.
